## CLASS HISTORY OF 1949

When I look back to the year 1945 and 1946 I see a group of boys and girls anxiously waiting for our train to take us to "Freshmanville". We had chosen Mrs. Roe as our Conductor, Donna Irelan as Engineer, Janice Clark as Fireman, and Mary Miller as Brakeman. With the engine full of steam the Conductor shouted, "All Aboard!" We took as many boys and girls as the coaches would hold and they were:

Esther Nelson	Ruth Wolford	Dick Reynolds
Pat Campbell	Lucille Pennell	Dick Rader
Mildred Kilgore	Margaret Hudson	Joe Irelan
Laura Jean Otto	Janice Clark	Bob Sweet
Virginia Diebert	Donna Irelan	Kenneth Humbert
Mary Ann Miller	Sarah McKee	Arthur Hamman
Betty Robinson	Bob Walters	Dale Laser

At the end of our first years journey we stopped for repairs and some rest. We then settled down again, we chose Mr. Heiser as our Conductor, Art Hamman as Engineer, Donna Irelan as Fireman, and Lucille Pennell as Brakeman. After we started on we discovered we had lost several passengers, they were: Esther Nelson, Virginia Diebert, Margaret Hudson, and Bob Walters. We gained three new passengers, in place of those we lost, they were: Tom Hawthorne, Clarence Wheatcraft, and Forrest Smith, but we continued on our journey to "Sophomoreville", just as happy. During our Sophomore year we had many good times. Our class raised approximately \$80.00 by showing picture shows to the school for entertainment.

Our Junior year was a very busy one. Bob Sweet, Laura Jean Otto, and Betty Robinson jumped off at a siding and that is the last we saw of them. We gained one new member who was, Frances Riddick. We chose Mr. Pittenger as Conductor, Art Hamman as Engineer, Dale Laser as Fireman, and Lucille Pennell as Brakeman. We sold magazines and ran a candy stand known as the "Junior Stand", and we had a Junior Play, "Mumbo Jumbo". We gave the Seniors of 1948 a very nice Banquet.

Finally our train took off with a group of excited boys and girls to "Seniorville".

We chose as Conductor, Mrs. Glasscock, Art Hamman as Engineer, Dale Laser as Fireman, and Lucille Pennell as Brakeman, Mildred Kilgore, Margaret Hudson, and Dick Reynolds missed the train and they continued their journey elsewhere. Those that are finishing the journey to "Commencementville", are as follows:

Janice Clark	Frances Riddick	Art Hamman
Ruth Wolford	Lucille Pennell	Tom Hawthorne
Sarah McKee	Dick Rader	Forrest Smith
Mary Ann Miller	Dale Laser	Clarence Wheatcraft
Donna Irelan	Joe Irelan	Kenneth Humbert

## CLASS POEM

With Janice Clark, let's commence,  
She has lots of pals, and common sense,  
Likes most sports, and at them good.  
We like Jannie, anyone would.

Next there's Donna, another Chick,  
With most the boys, she's their pick,  
Of course with her, it's Art you see,  
You'll hear her say, "He's for me."

We'll call on Sadie, with the dimpled chin,  
When she's around, here the fun begins,  
She has beaus, nice ones too,  
She loves 'em and leaves 'em, and says, "We're  
thru."

Mary Ann, next in line,  
Happy-go-lucky most of the time,  
With personality, that wows 'em all,  
Friends she has, both large and small.

And here's a girl, I'm thinking of,  
Who's starry eyed, and full of love.  
Yes, you're saying, I know who,  
It's Ruth Wolford, "Woo! Woo!"

For the quiet type, here's the gal,  
Frances Riddick, she's our pal,  
With a disposition, that's mighty sweet,  
She has something, that can't be beat.

The last of the girls, Lucille Pennell, she is,  
At reading and writing, she's a whiz,  
She has what it takes, and Donnie's her man,  
He always gets dates, see if you can.

Now for the males, let's start with Joe,  
For any girl, he'd make a nice beau,  
Life troubles him not, and worry's him none,  
And any old place, he's lots of fun.

Another swell guy, Art Hamman, yes sir!  
If you don't believe us, there's Donna, ask her.  
He's smart as a whip and popular too,  
A friend worth having, I think, don't you?

And now Dick Rader, another boy in our class,  
Thinks women are fickle, and lets them all pass.  
Maybe some day, the right one he will meet,  
He'll be so romantic, and sweep her off her feet.

Dale Laser's the one, who's next on the list,  
When it comes to girls, he doesn't resist.  
There was one in particular, he thought was all  
right,  
But she gave him the air, one Saturday night.

Now here's a red head, who's quite all right,  
He's quiet and friendly, and always polite,  
Yes, it's Kenny Humbert, I guess you all know,  
His gal is named Lois, he told us so.

Jack Wheatcraft, whall we talk of now,  
Don't get him mad, he'll cause a row,  
All jokes aside, he's really okay,  
He has lots of gals, and that ain't hay.

Let's don't forget, our Forrest Smith,  
He makes people laugh, whoever he's with,  
With friends that are many, and enemies few,  
In our opinion, he's super-do.

Last but not least, Tom Hawthorne we name,  
We like him lots, Jannie does the same,  
He goes rarin' and tearin', in his Willy's at  
nights,  
And you'll usually find him at Jannie's, that's  
right!!

## CLASS WILL

We, the Senior Class of 1949 of Shiloh High School, being of sane mind and sound body do make and publish this our last will and testament as follows:

To the Board of Education we bequeath all the broken chairs and torn books.

To Mr. Hartley, we bequeath a new set of rules, containing provisions for an increase of holidays to one bi-weekly, changing the hour of opening school to 9 o'clock instead of 8:45, and closing at 1 o'clock with two recesses of 59 minutes each and an hour off for noon.

To the Junior Class, we bequeath the privilege of being Seniors in 1950.

To the Sophomores and Freshmen, we bequeath the power of being as quiet in all classes as we were.

Donna Irelan leaves her cheerleading ability to Lee Sparks.

Janice Clark leaves her quietness to Elsie Dick.

Sarah McKee leaves her awkwardness to Iona Million.

Mary Miller leaves her conceited disposition to Dorothy Dent.

Ruth Wolford leaves her ability to wreck automobiles to Jim Huston.

Frances Riddick leaves her school books to anyone stupid enough to study them.

Lucille Pennell leaves her ability to play the piano to Carol Witchie.

Dick Rader leaves his ability to study Latin to Kenny Brooks.

Dale Laser leaves his nights in Greenwich to Dean Seaman.

Kenneth Humbert leaves his studiousness to Chuck Wolfersberger.

Art Hamman leaves his Willy's to anyone who has enough nerve to take it.

Joe Irelan leaves his height to Marshall Clabaugh.

Jack Wheatcraft leaves his red hair to Gerald Alfrey.

Tom Hawthorne leaves Janice. Oh, no he doesn't !!!

Forrest Smith leaves his corny jokes to anyone witty enough to think of them.

## CLASS PROPHECY

As I was going through Shiloh, I decided to drop off the rods of my cattle car and try to find some of my old classmates.

I was walking up the street and saw a building with a sign that said "Ye Old Towne Grille". The proprietors were Jack Wheatcraft and Tom Hawthorne, but it seemed that Tom was a silent partner as Janice Clark, his wife, thought it was better that he was.

As I was eating my dinner I picked up the Shiloh Gazette and what did I see but an advertisement of Hamman's Holstein cattle farm. It seems Donna Hamman, the former Donna Irelan and Art have quite a herd of children started. On the back page of the paper I found Dick Rader, as the Proprietor, Distributor, Editor, etc.

After reading this I was really surprised and decided I had better journey on. Then, down the street I saw a new building with a sign that read: "Joe's Palace Theater". It was the opening night of a home talent play. Joe Irelan was the proprietor, and I was surprised to see that two of his most prominent stars were Ruth Wolford and Sarah McKee.

I went into the Farm Store and I was talking to some younger boys and they told me what a fine Principal Kenneth Humbert was at Shiloh school, and also told me that Lucille Pennell was a very fine English teacher.

I came out of the store and continued up the street. I happened to run into Mary Miller, and she told me she was a confirmed man-hater and that she was living in a shack at Planktown, taking in washings for a living.

I heard a clatter and a bang and there was Frances Riddick driving an old farm truck. I was told she has become a farmer's wife.

She drove her truck into "Smitty's Garage and Motorcycle Sales", which was owned by Forrest Smith.

I considered myself fortunate in seeing all my old classmates so I took to the rods of my cattle car and journeyed on to my next destination.

### MUSIC IS A UNIVERSAL LANGUAGE

Believing that music is a vital influence which can last through life, helping to balance thinking and broaden horizons. Shiloh School has placed special emphasis upon the development of the music department. Participation in the musical activities of the school encompasses several phases. There is a Glee Club, a Girls Quintette and Sextette, and a school chorus.

In addition to these there is a Rhythm Band for the first and second grade; a Beginners Band for the fifth and sixth grade; a Beginners Band for the seventh grade up; a Junior Band; a High School Band; a Drum Class; and a Majorette Class,

Some one has said, "Music is a Universal Language uniting the appreciation of music lovers separated by a hundred years and thousands of miles."

A boy or girl who is seriously interested has an excellent opportunity for developing his or her talent, while completing their high school course.

## BUCKEYE BOYS' AND GIRLS' STATE

Buckeye Boys' and Girls' State is sponsored each year during a week in June by the American Legion Auxiliary. The Girls' State is held on the Campus of Capital University, Columbus Ohio, while the Boys' State is held at Wesleyan College, Delaware, Ohio.

The purpose of the Boys' and Girls' State is to educate our young people in the duties, privileges, rights, and responsibilities of American Citizenship.

Boys' and Girls' State is supervised by a Capable Board of Directors. In addition, there is a Social and Government Counselor for each forty girls and boys. All speakers are experts in their respective government offices. Registered Nurses and hospital facilities are available at all hours. Food is prepared under the supervision of the University Dieticians.

Only girls and boys in the Junior Class are eligible and they must be approved by the school superintendent, certifying they possess high qualities in studies, moral character and mental alertness. There is no distinction in race or creed. Membership is limited to 420 girls and 850 boys.

Donna Ireland and Arthur Hamman fulfilled the above qualifications and were chosen by Superintendent Hartley to be the first members chosen and sponsored by the Garrett-Reist Auxiliary.

We sincerely hope the honor, pleasure and opportunity to witness and learn the functions of our government will provide a goal toward which each Junior boy and girl will strive.

VIRGINIA HETTINGER

A group of students by their own choice and the permission of their parents, met once a week with Mrs. Hettinger, who is a graduate of the Moody Bible Institute in Christian Education and who also had two years of training at Bowling Green University, to study Bible verses, songs, and have discussions.

#### WHAT IS SCHOOL SPIRIT

School days at Shiloh High are both a fulfillment and a promise. They round out earlier training while they prepare for future activities yet untried. They ask for all a girl or boy has to give by way of intellectual performance and personal co-operation. In turn they repay in new friendships, new cultural experiences, new knowledge of their own capacities, new ambitions for personal development, new facts about environment, and new enjoyments in leisure time. Whether one enrolls for the college, music, science, or commercial course, they have an ample opportunity to develop his or her natural interests, both in the classroom and in extra-curricular activities. As they accept new responsibilities and contribute their share to each day's program of work and recreation, they help to make school spirit what it is, and they come to feel this spirit as something personal and satisfying.

Since the school is our part of a larger social order, school spirit goes out beyond the school grounds, it carries on at home when school days are over in the community service of alumni. It is a happy blend of friendship and service, enriching life for the individual by directing them toward worthwhile goals.

A SCENE AT SHILOH - LUCAS BASKETBALL GAME

"Bob Thomas", another manager of the Shiloh Basketball Squad is very reliable and he is always on the ball.

"Bud", is one of the managers who cleans up after the basketball boys and does a pretty good job of it. When they want something they just holler for Jacobs.

## BASKETBALL TEAM

Marshall Clabaugh, our six feet two inch center had a little trouble in getting to some of the games because he was sick, but he did a good job and was always in there fighting. Good luck for the coming year, "Baldy".

Arthur Hamman, one of our best guards, is sure going to be missed next year, because if we hadn't had him, we wouldn't have gotten the ball down the floor, right "Art"?

Joe Irelan, is one of the best bench warmers we have. He is a little scrapper, although he didn't see much action. He played guard this year.

Tom Hawthorne, was pretty hot on those one hand shots even if he didn't get to play much.

Charles Wallace, our hot rod is a pretty good player. He has seen plenty of action for the past two years and I am sure he will see a lot more action during the next two years to come.

Donnie Guthrie, plays pretty good basketball, and is well liked by his team mates. He plays guard. Hope your next year is better for you.

Gerald Alfrey, gets pretty mad at times when he's out there playing, but he is all right when it comes to moving fast. Good luck "Gary".

Burton Garrett, who got a late start is coming up quite rapidly. He proves to be very promising for the next year.

Charles Wolfersberger, did a fair job at playing center when "Baldy", wasn't able to be here. He also caught quite a few rebounds, Chuck played forward most of the time.
